

TUESDAY, 6 MAY 2025

Exhibition Build-up Day

Board meetings of the National Nordic Societies

| | |
|-------------|--|
| 15.00-17.00 | Pre-registration at the venue |
| 17.00-21.30 | <p>Scientific Evening Event sponsored by Johnson & Johnson: History and Future of Dermatology – Psoriasis as an example Restaurant Pörssi <i>(Only for participants who have signed up in advance)</i></p> |

WEDNESDAY, 7 MAY 2025

| | |
|-------|----------------------------------|
| 07.30 | Registration opens |
| | Main Auditorium: Europea |
| | Parallel session room: Fennia II |

Annual General Assemblies of the National Nordic Societies

| | | | |
|------------------------------|---|--|--|
| 08.00-10.00 / 08.30-09.30 | SSDV General Assembly 8.00-10.00 in Europea | NFDV General Assembly 8.30-9.30 in Baltica | SILY General Assembly 8.30-9.30 in Fennia II |
|------------------------------|---|--|--|

| | | |
|-------------|---|---------------------------------------|
| 10.00-10.55 | Special Session: Acta Dermato-Venereologica Symposium | |
| | Acta DV still going strong after more than 100-years | Olle Larkö & Magnus Lindberg (Sweden) |
| | Social media and artificial intelligence in scientific publishing | Sam Polesie (Sweden) |
| | Acta Dermato-venereologica – highlights and plans for the future | Olle Larkö (Sweden) |
| | Discussion | |
| 11.00-12.00 | Industry symposium A - Sponsored by Galderma Nordic: The Unbearable Itch; Unveiling the Complexities of Prurigo Nodularis | |

| | | |
|-------------|---|--|
| 12.00-13.30 | Lunch break, poster viewing & exhibition | |
|-------------|---|--|

| | | |
|-------------|---|---|
| 12.15-13.15 | Lunch Industry Symposium B - Sponsored by Almirall: Managing Atopic Dermatitis: New Treatments & Clinical Insights - an interactive session on clinical cases | |
| 13.30-14.00 | Opening Ceremony | |
| 14.00-15.30 | Keynote Lectures | Chairs: Veli-Matti Kähäri (Finland) Kaisa Tasanen-Määttä (Finland) |
| | FinnGen, a large scale biobank project to facilitate genetic discoveries | Aarno Palotie (Finland) |
| | How large-scale electronic health record databases can help improve clinical care for inflammatory diseases | Sinéad Langan (United Kingdom) |
| | Insights into pruritic skin inflammation | Bernhard Homey (Germany) |

15.30-16.00

Coffee break, poster viewing & exhibition

| 16.00-17.30 | Session 1: Psoriasis - where are we now? | Chairs: Charlotta Enerbäck (Sweden) Lone Skov (Denmark) | Session 2: Skin cancer - what's new? | Chairs: Veli-Matti Kähäri (Finland) Ada Girnita (Sweden) |
|-------------|---|--|---|---|
| | Epidemiology and big data | Lone Skov (Denmark) | In melanoma | John Paoli (Sweden) |
| | Lessons learned from the Stockholm psoriasis cohort | Axel Svedbom (Sweden) | In basal cell carcinoma | Katarina Zak Stangeland (Norway) |
| | A multi-omics approach to precision medicine in dermatology: The HUNT Study | Mari Løset (Norway) | In Squamous cell carcinoma | Veli-Matti Kähäri (Finland) |
| | The association between serum 25-hydroxyvitamin D levels and psoriasis in a large population-based cohort | Kjersti Danielsen (Norway) | In unusual tumors | Ada Girnita (Sweden) |
| | The systemic inflammation in psoriasis | Charlotta Enerbäck (Sweden) | In cutaneous lymphoma | Maria Lönnrot (Finland) |

18.30-20.00

Helsinki City Welcome Reception at City Hall

(The reception is hosted by the city of Helsinki. You need to be signed up for the reception to attend)

Morning Run

6.45-8.00

Meeting point: In front of Marina Congress Centre
(The run is free to join, but you need to sign up in advance)

08.00 Registration opens

Main Auditorium: Europea

Parallel session room: Fennia II

| 08.30-10.00 | Session 3: Atopic dermatitis and itch | Chairs: Laura Huilaja (Finland) Mette Deleuran (Denmark) |
|-------------|---|---|
| | Pathological mechanisms in atopic itch | Jesper Elberling (Denmark) |
| | Psychological impact of atopic dermatitis | Mette Deleuran (Denmark) |
| | Atopic Dermatitis in melanin rich skin | Maria Bradley (Sweden) |
| | Update on topical treatments of atopic dermatitis | Alexander Salava (Finland) |
| | Prurigo Nodulars | Laura Huilaja (Finland) |

| | Session 4: Nordic Research | Chairs: Teea Salmi (Finland) Liv Eidsmo (Sweden) |
|--|---|---|
| | Bridging Basic Research and Clinics: Innovations in Treating Infection and Inflammation | Artur Schmidtchen (Sweden) |
| | Combining clinical work and research - what is essential? | Liv Eidsmo (Sweden) |
| | NDA's Scientific Exchange of Younger Dermatological Researchers | Ditte Georgina Zhang (Denmark) |
| | NDA Grant recipients: | |
| | Comorbidities and effects of gluten-free dietary treatment in dermatitis herpetiformis | Noora Nilsson (Finland) |
| | Psoriasis: disease variation and self-reported triggers | Albert Duvetorp (Sweden) |
| | Ectodermal dysplasia in Denmark: population-based studies of prevalence and prognosis | Laura Krogh Herlin (Denmark) |
| | Risk factors and treatment for Penile intraepithelial neoplasia | Sinja Kristiansen (Sweden) |

10.00-10.30 Coffee break, poster viewing & exhibition

Young Researchers' Get-together in front of Fennia II after the session

| 10.30-12.00 | Session 5: Autoimmune diseases | Chairs: Rikke Bech (Denmark) Kaisa Tasanen-Määttä (Finland) |
|-------------|--|--|
| | Update of pemphigoid | Kaisa Tasanen-Määttä (Finland) |
| | Update of pemphigus | Ralf Ludwig (Germany) |
| | Serology in the diagnosis of autoimmune bullous diseases | Nina van Beek (Germany) |
| | Update of Dermatitis herpetiformis | Kaisa Hervonen (Finland) |
| | Immunological wounds | Rikke Bech (Denmark) |

| | Session 6: Skin infections, infestations and venereology | Chairs: Usha Hartgill (Norway) Eija Hiltunen-Back (Finland) |
|--|---|--|
| | Scabies | Pontus Johnsson (Sweden) |
| | The challenges of fungal skin infections/challenging fungal skin infections | Olav Sundnes (Norway) |
| | Syphilis | Eija-Hiltunen Back (Finland) |
| | Atypical presentations of STIs, case studies | Usha Hartgill (Norway) |
| | HPV and cancer | Arne Wikström (Sweden) |

12.00-13.30

Lunch break, poster viewing & exhibition

| | |
|--|--|
| 12.15-13.15 Lunch Industry symposium C - Sponsored by Sanofi Oy: Cornucopia of Real World Evidence in AD&PN in Nordics – Clinicians toolbox to uncover what do we know of long term treatment in AD & PN from real life registries | |
| 13.30-15.00 Session 7: Skin and genes Epidermolysis bullosa Neurofibromatosis Darier disease Hereditary palmoplantar keratoderma Porokeratosis | Chairs: Sirkku Peltonen (Finland) Philip Curman (Sweden) Leena Bruckner-Tuderman (Germany) Sirkku Peltonen (Finland) Philip Curman (Sweden) Eveliina Brandt (Finland) Rahime Inci (Sweden) |
| 15.00-15.30 | Coffee break, poster viewing & exhibition |
| 15.30-16.30 Industry symposium D - Sponsored by L'Oréal Dermatological Beauty: Nordic European Cutaneous Oncodermatology Management (NECOM) project tools to prevent and treat cancer therapy-related cutaneous adverse events | Poster "Walk" Presentations (presentation of selected posters) PW1 Treatment with methotrexate is associated with a decreased risk for mortality of patients with bullous pemphigoid PW2 How does herring roe oil affect immune cells and cytokine network in psoriasis? PW3 The role of dermal fibroblasts in the upregulation of IκBζ and associated inflammatory mediators in psoriatic inflammation PW4 Inflammatory skin disease – the importance of vitamin D, vitamin D-binding protein, and UV light PW5 Efficacy and safety of lebrikizumab is maintained up to 3 years in patients with moderate-to-severe atopic dermatitis: ADVocate1 and ADVocate2 to ADjoin long-term extension trial PW6 Seasonal variation of the burden of atopic dermatitis in Finnish primary care – a database study on effects of weather and air quality PW7 10 years of Mohs micrographic surgery in Denmark: results from a nationwide cohort PW8 Sun exposure, basal cell carcinoma and serum vitamin D levels in individuals with Gorlin syndrome: a nationwide register-based study PW9 Changes in ultraviolet B-induced DNA damage and erythema after systemic photoprotection with nicotinamide and Polypodium leucotomos in healthy volunteers |
| 18.15 | Bus transportation for congress dinner - Meeting point: Outside Congress Centre |
| 19.00-00.00 | Congress dinner at Hilton Helsinki Kalastajatorppa (Admission by pre-booked ticket only. You can sign up through the online registration) |
| From 22.30-00.00 | Return shuttle busses after the dinner (Starting at 22.30 and leaving every 30 minutes until 00.00) |
| Chairs: Pilvi Riihilä (Finland) Magdalena Claeson (Sweden) | Chairs: Øystein Grimstad (Norway) Kirsi Isoherranen (Finland) |
| Chairs: Leena Bruckner-Tuderman (Germany) | Chairs: Øystein Grimstad (Norway) |
| Chairs: Sirkku Peltonen (Finland) | Chairs: Louise W. Schøsler (Denmark) |
| Chairs: Philip Curman (Sweden) | Chairs: Kirsi Isoherranen (Finland) |
| Chairs: Eveliina Brandt (Finland) | Chairs: Sebastian Probst (Switzerland) |
| Chairs: Rahime Inci (Sweden) | |

Main Auditorium: Europea Parallel session room: Fennia II

| | | |
|-------------|---|--|
| 09.00-10.30 | Session 9: Allergy & Urticaria | Chairs: Jesper Elberling (Denmark) Jose Alfonso, (Norway) |
| | New trends in contact allergy | Jeanne Duus Johansen (Denmark) |
| | Atopic Eczema and allergy | Charlotte Mørtz (Denmark) |
| | Exploring Urticaria - A Dive into the Diversity of Causes and Diagnoses | Jesper Elberling (Denmark) |
| | Challenges in the diagnosis and prevention of occupational contact dermatitis | Jose Hernán Alfonso (Norway) |
| | Contact allergy to steroids, what's new | Mihaly Matura (Sweden) |

8.00-8.45 NDA Board Report Meeting

| | | |
|--|--|--|
| | Session 10: Novel approaches for diagnostics of skin diseases | Chairs: Thomas Schopf (Norway) Noora Neittaanmäki (Finland) |
| | Ex vivo confocal microscopy for bed-side histopathological diagnosis | Noora Neittaanmäki (Finland) |
| | Line-field confocal optical coherence tomography: pros and cons | Merete Haedersdal (Denmark) |
| | Artificial intelligence in dermatology: where are we now? | Sam Polesie (Sweden) |
| | Post-pandemic telemedicine | Thomas Schopf (Norway) |

10.30-11.00 Coffee break, poster viewing & exhibition

| | | |
|-------------|--|--|
| 11.00-12.30 | Session 11: Pediatric Dermatology | Chairs: Katariina Hannula-Jouppi (Finland) Mikael Alsterholm (Göteborg, Sweden) |
| | Neonatal erythroderma -Red babies are red flags | Katariina Hannula-Jouppi (Finland) |
| | Overview and management of vascular and lymphatic malformations in children | Hanna Hyvönen (Finland) |
| | Treatment of onychomycosis in children | Ditte Marie Saunte (Denmark) |
| | Skin barrier and the management of atopic comorbidities in children with atopic dermatitis – creating peace of mind and skin in patients and parents | Eva Rehbinder (Norway) |
| | Update on the use of biologics and JAK-inhibitors in pediatric dermatology | Johanna Mandelin (Finland) |

| | | |
|--|---|---|
| | Session 12: Free Communications Session | Chairs: Baldur Baldursson (Iceland) Claus Johansen (Denmark) |
| | Stage II and III melanoma: survival outcomes and patient characteristics in a nationwide population-based study from Sweden | Michelle Marjanovic (Sweden) |
| | Dermal IgA deposition targeted against transglutaminase 3 in dermatitis herpetiformis risk groups | Elli Turjanmaa (Finland) |
| | Expression of C5AR1 in cutaneous squamous cell carcinoma is associated with invasion, metastasis and prognosis | Lauri Heiskanen (Finland) |
| | Predicting melanoma in the adult Swedish population using machine learning on registry data | Martin Gillstedt (Sweden) |
| | Prevalence of psoriasis in patients with metabolic dysfunction-associated steatotic liver disease (MASLD) – a cross-sectional study | Kristoffer Egeskov (Denmark) |
| | Early neutrophil activation in psoriatic skin at relapse following Dead Sea climatotherapy | Thomas Emmanuel (Denmark) |
| | Spatial profiling of CD8 ⁺ T cells and lymphoma cells in MF patient skin | Julia Nenonen (Sweden) |
| | Subclinical cardiac organ damage in patients with moderate to severe psoriasis | Kåre Tveit (Norway) |

12.30-13.00 Closing Session & Announcement of Prizes

13.00-14.00 Farewell sandwiches
